APPELLATION
Los Chacayes (Tunuyán - Mendoza)

VINEYARD

Los Arbolitos Vineyard. Located at an altitude of 3,608 feet, the vines are trained to vertical shoot positioning with a drip irrigation system. This wine comes from 8-year-old vines.

SOIL

Sandy loam soil with medium-size angular stones.

GROWING SEASON

The growing season presented several challenges due to complicated weather conditions. A cool spring brought lower temperatures than usual, and late frosts particularly affected chardonnay yields. Heat waves followed in mid-summer and rains towards the end of summer resulted in a natural thinning of the grapes. Harvest started earlier than usual at some vineyard sites. Yields: 2.01 tons per acre.

AGING & BOTTLING

Aged for 11 months in new French oak (50%). Bottled in February 2016. Unfined.
